

Sharing a Scaffold Viewer Model

Scaffold Viewer enables you to easily share models with other users.

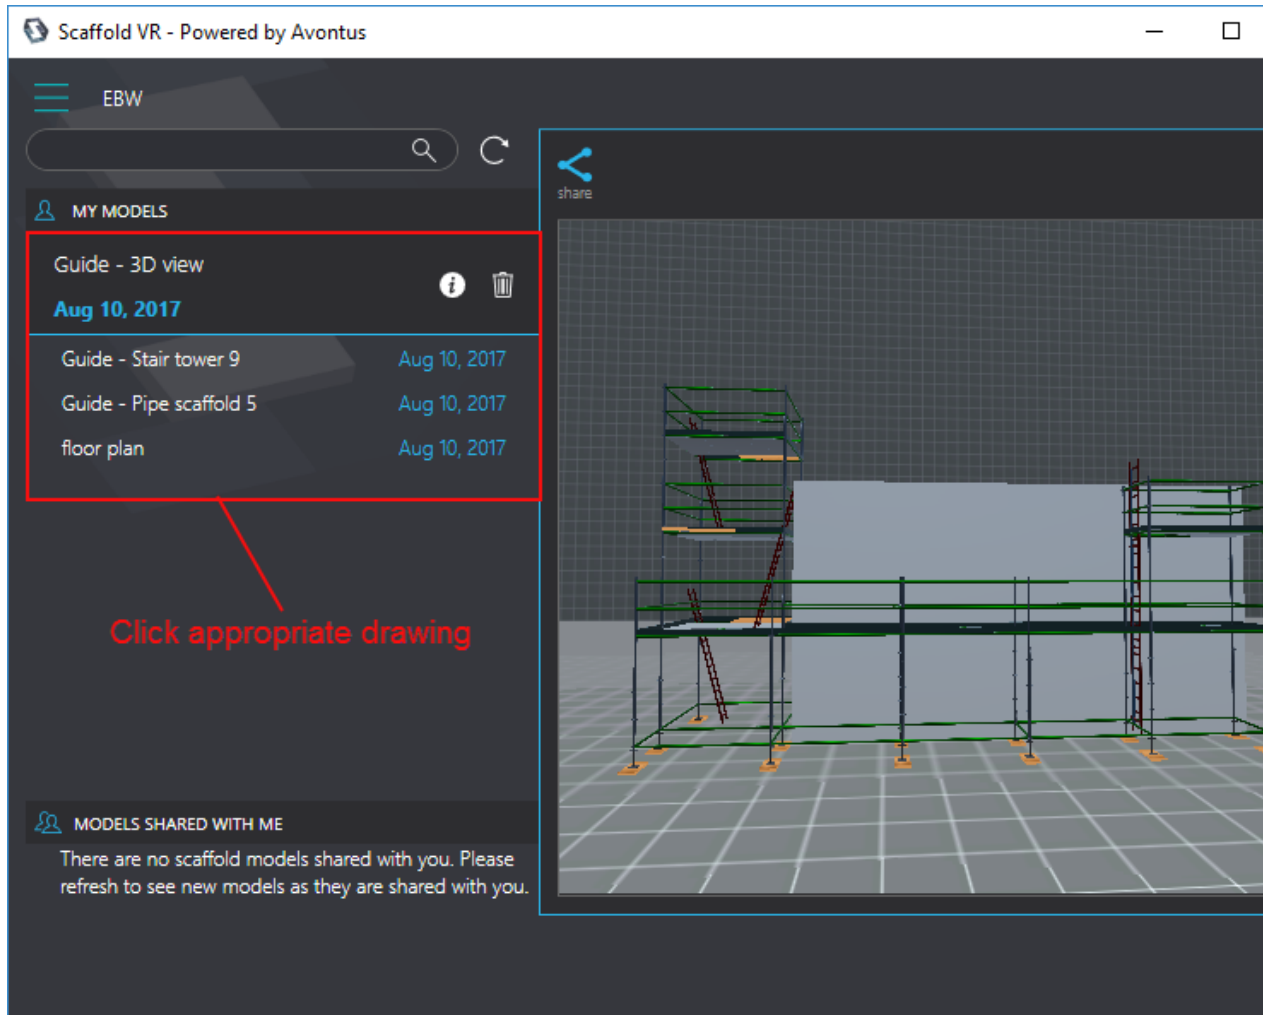

To share a Scaffold Viewer model:

1. Log in to the Scaffold Viewer desktop app.

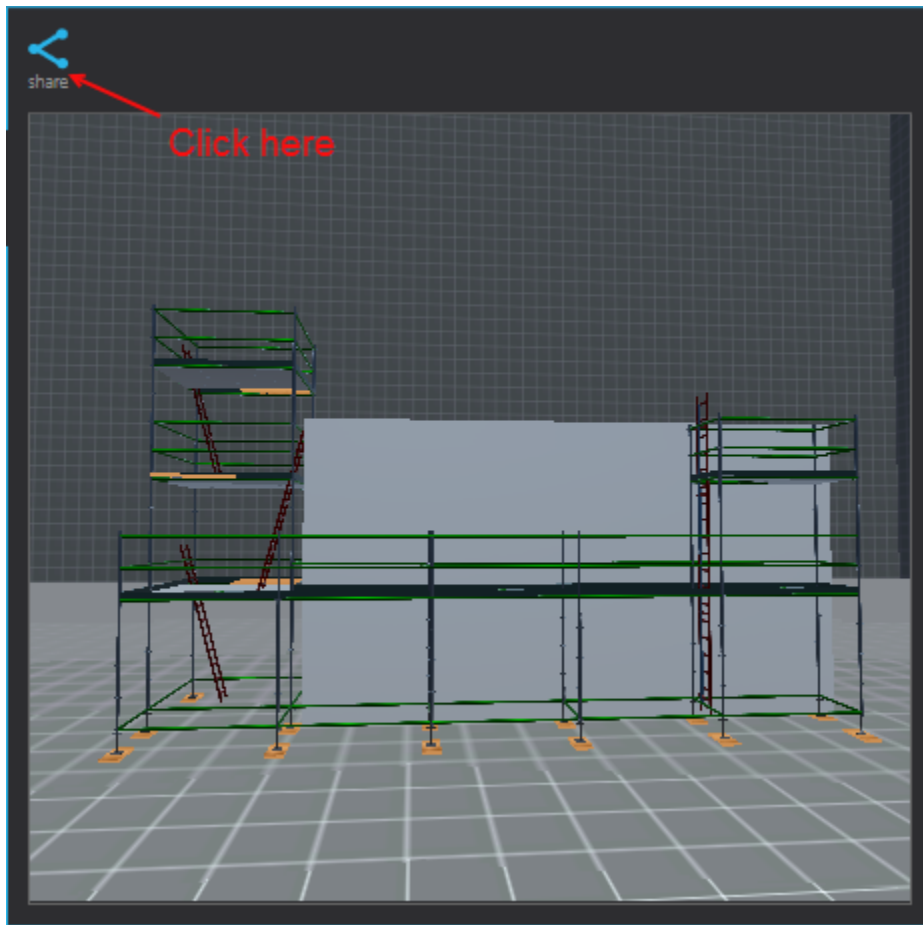

The *Scaffold Viewer* dialog appears.

2. Locate and click the name of the model you want to share.

The model appears in the window in the right-hand side of the dialog.

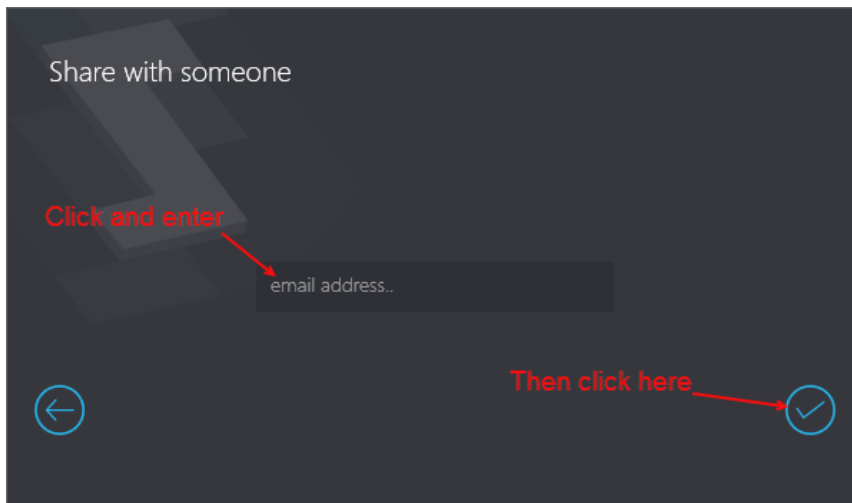

3. Click the **Share** icon () in the upper left-hand corner of the display window.

The *Share with Someone* dialog appears.

4. Click in the **Email Address** text field and enter the email address of the person with whom you want to share the model, then click the check in the bottom right-hand corner of the dialog.

The *Scaffold Viewer* dialog returns, displaying the name of the person with whom you shared the models the upper left-hand corner of the display window.
