

Setting up a Avontus Viewer Account

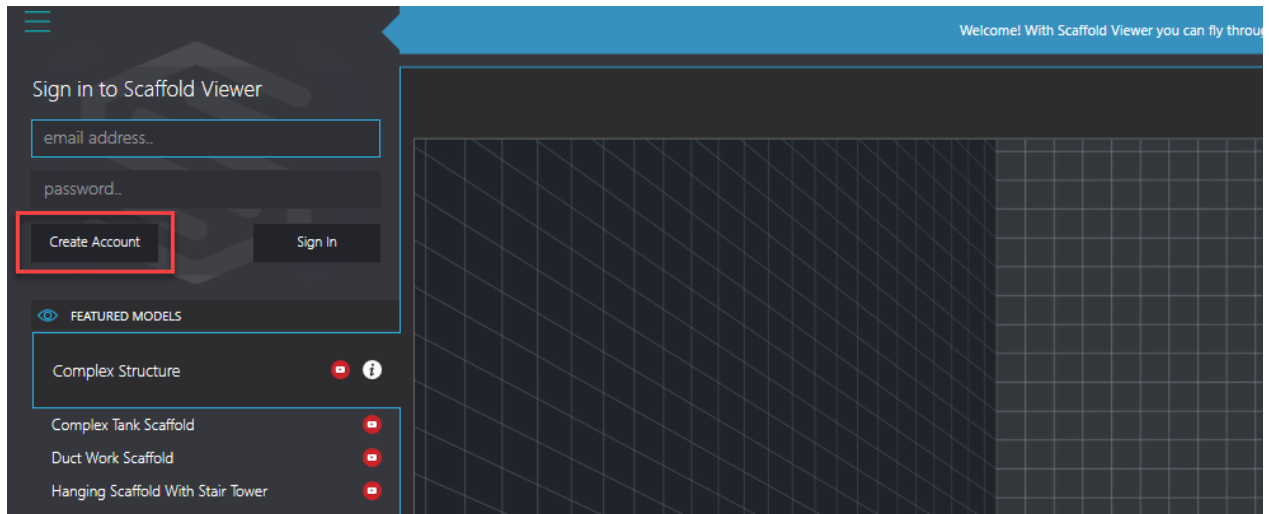

Setting an Avontus Viewer account is an easy process requiring only a couple of steps. Before you start, you will need the following information: a name for the account, the email address you want to use with the account and a password.

To set up an Avontus Viewer account:

1. If Avontus Viewer is not already running, launch Avontus Viewer.

The *Sign In* page appears.

2. Click **Create Account**.

The *Create Account* dialog appears.

The *Account Created* dialog appears.

9. Click the check in the bottom right-hand corner of the dialog.

The *Log In* page returns.

Avontus will send a confirmation email to the address you entered when you created your account. Once you confirm, Avontus Viewer will be ready for you to log in to your new account.
